WHEREAS, the State of Illinois has enacted "An Act regulating wages of laborers, mechanics and other workers employed in any public works by the State, county, city or any public body or any political subdivision or by anyone under contract for public works" (820 ILCS § 130), hereinafter "Prevailing Wage Act"; and

WHEREAS, the *Prevailing Wage Act* requires the Board of Education Maercker School District No. 60, DuPage County, Illinois, to investigate and ascertain the prevailing rate of wages as defined in said Act for laborers, mechanics and other workers in the locality of said School District employed in performing construction of public works; and

WHEREAS, the *Prevailing Wage Act* requires the Board to specify in its call for bids and project specifications in any public works construction or demolition contract the prevailing rate of wages for each type of laborer, worker or mechanic necessary and to include a stipulation that the prevailing rate of wages as ascertained by the Board will be paid in any contracts issued for such construction or demolition work, as guaranteed in all contractor's bonds;

NOW, THEREFORE, BE IT RESOLVED by the Board of Education of Maercker School District No. 60, DuPage County, Illinois, as follows:

Section 1: To the extent and as required by the *Prevailing Wage Act*, the general prevailing rate of wages in this locality for laborers, mechanics and other workers engaged in construction or demolition of public works coming under the jurisdiction of the Board is hereby ascertained to be the same as the prevailing rate of wages for construction or demolition work in the DuPage County area, as determined by the Department of Labor of the State of Illinois during the month of June 2018. A copy of that determination is attached hereto and incorporated herein by reference.

Section 2: Nothing contained herein shall be construed to apply said general prevailing rate of wages, as herein ascertained, to any work or employment of the Board, except public works construction or demolition to the extent required by law.

Section 3: The Secretary of the Board shall publicly post or keep available for inspection by any interested party in the Business Office of the School District the determination of the prevailing rate of wages.

Such publication shall constitute notice of the determination of the prevailing wage rates by this public body and that the determination is in effect.

Section 6: The Secretary of the Board shall mail a copy of this determination to any employer and to any association of employers and to any person or association of employees who have filed their names and addresses requesting copies of any determination stating the particular rates and the particular class of workers whose wages will be affected by such rates.
